COVID-19 and Wellness Information were shared.

The Wilkes County Community Partnership, Inc. has proudly improved the quality of life and enhanced the well-being of Washington-Wilkes citizens during the 2020 COVID-19 Global Pandemic, strategically using the generous contributions from the CSRA Foundation (via Georgia Family Connection Partnership – Region 7), F&M Bank, various partners, and donors.

We will continue to work to reduce barriers and increase positive factors within our county.
